## *EASTBOURNE and DISTRICT*

**JURGEN MATTHES** has built up an excellent reputation in Eastbourne as a well organised and caring organisation over the last 29 years. Since 1982 Jürgen has taken 130,000 German students to Eastbourne. His students are known to be well looked after by their JM leaders.

Everybody attends English lessons in the morning and for the afternoon JM offers an outstanding all-inclusive programme of sports and leisure activities.

Two full day trips to London, an excursion to Brighton and four evening discos a week, are also part of the programme.

Jürgen Matthes is still the only organisation supplying evening buses taking its students

home after all evening activities. The JM town centre office at 25 Hyde Gardens is staffed all year round. The JM Team works with 750 regular local Host Families who help to make sure that Jürgen's students have such a good time in Eastbourne that so many return year after year. In 2010 Jürgen broke the record with 1,079 returning students.

**If you are interested in hosting Jürgen's students in future please call the JM Team on 744020.**
